From I-285 go north on I-75. Follow I-75 north and turn left on Highway 20 (exit 290). Follow Hwy. 20 and turn on Highway 411 towards Rome. (You'll see signs for Rome.) Hwy. 20 will "T" into another road where you turn left towards a cloverleaf, then immediately right, onto a ramp for Hwy. 411. Follow Hwy. 411 for about 22 miles and 411 makes several turns. Just a few miles after you get on 411, you'll have to bear right to stay on 411 to Rome. Just follow the "Hwy. 411 to Rome" signs. When you get to Rome, cross under the bridge for Highway 101 and make an immediate right on Turner-McCall Boulevard. (Don't get on 101, just cross under the 101 bridge.) Follow Turner-McCall for 3.0 miles and it will turn into Shorter Avenue. After you cross Highway 27, go another 2.5 miles and turn left on Burnett Ferry Road. Follow Burnett about two miles and Alto Park is on the right.
