

New Zoar Preschool

Zoar Preschool, Zoar UMC, 10/15/05, 5:45pm

Saturday night **Zoar Preschool** faced **SCC**, a team we'd never seen before. Of course, **SCC** had never seen this version of **Zoar Preschool**, either, so it kind of evened out. **SCC** was 3-1 and in second place in the division while "we" sat at 0-4. It was what you'd expect for the first game where most of the team had never even been to that field before. We had a few players who'd never seen each other and a few players got lost on the way to the new place, so we had folks running up late. Since we put the team together in just a few days it was understandable almost.

We lost the coin toss and were Visitors for this first game of a double-header and we picked up the bats. We started off with a double and a ground-out and "Mutt &" **Jeff Whitley** put us on the board with a single, but that's all we got in the first inning. **SCC** hit well in the first and we had some miscues, nothing big, just new team jitters, but **SCC** capitalized for five runs.

Neither team scored in the second inning and our "D" looked pretty good. We scored two in the third on a two-out, two-run single from **Jeff "Eli" Whitley** ** and closed the gap to 5-3, but **SCC** put up a run in the bottom of three to lead 6-3. We got two more in the fourth on a leadoff double and some singles, 6-5, but three straight outs ended the rally. **SCC** added another run to lead 7-5. In the fifth we did about what we'd done in the fourth as we led off with three singles, then three outs, this time for no runs. **SCC** took advantage of our power outage and dumped three runs on us in the bottom of the fifth to take a 10-5 lead.

In the fourth we got one run when **Rocky "Top" McCoy** tripled down the RF line with one out and a ground-out chased him home, but time had run out before the last fly-out and we lost 10-6.

It was the fifth game of the season for **Zoar Preschool**, but really the first game for most of us, so we were a bit sketchy at first and had to play a good team right off the bat. That was a beatable team, but we weren't ready for them.

Freddy Allen "the Family" and **Rocky "Face" McCoy** were each 3-3. **Jeff "Tyrone" Whitley** was 2-3 and led the team with three RBI, "Slim" **Tim McCoy** was 2-3 and **Dave "Grandma" Kyle** and **Misty "Rain" Padilla** were each 1-2.

Zoar Roars

Zoar Preschool, Zoar UMC, 10/15/05, 6:45pm

The second game came right after the first with no game in between and this time we faced **Berkmar**, who stood at 1-2, their loss probably being to the original **Zoar Preschool** team if I had to hazard a guess. I won the coin toss and made us Home team, so we took the field.

We played good "D" right in the first inning this time and held **Berkmar** to a donut and in the bottom of the first we hit the ball. A lot! We led off with a double and single and **Tim "ber!" McCoy** broke the scoreless tie with a triple and we led 2-0! A single made it 3-0 then we pounded out four more runs, 7-0, before we made an out. Then we made two straight outs. A walk kept us alive, then "Deadly" **Freddy Allen** touched off a bomb to left and trod the bags for a two-out, three-run, inside-the-park homer and we suddenly led 10-0! Three singles followed then "Igneous" **Rock McCoy** singled for two more two-out runs to put us up 12-0 and end the scoring in the first inning.

Neither team scored in the second inning, still 12-0, and **Berkmar** did not score in the third, but we got two more runs, 14-0, the last one on a two-out single from "Rockin'" **Robin Brown**. **Berkmar** put up two in the fourth inning and we came back with two. **Ruby "Red" Richardson** hit a no-out, two-run double and we won the game, by run-rule, 16-2!

Run-rule	1	2	3	4	5	6	7	Total
Berkmar	0	0	0	2	-	-	-	2
Zoar Preschool	12	0	2	2	-	-	-	16

Now, that game was more like what we expect to see, but it was quite a bit more than the regular **Zoar Preschool** people probably expected and I'm glad we had some fun. We played very good "D" and hit the ball well for the most part. Good job, **Zoar!**

Freddy Allen "Wrench" was 3-3 with three RBI to co-lead the team, "Slim" **Tim McCoy** and **Rock** "Paper, Scissors" **McCoy** were each 3-3 with two ribs apiece.

Strike One

Dirty Dozen, Bethesda, 10/17/05, 8:30pm

Monday night the **Dirty Dozen** had two games against the same opponent. The first game was our regularly scheduled 8:30 game and the second was at 9:30, a rain makeup from 8/29. Both games were against an old called the **Strike Team**. They used to be **Glenn's BBQ**, **Pizza Hut** and whole bunch of other names, but have been the **Strike Team** for a couple of years now.

Back in the Summer we had a rainout against them and the makeup was to be on Saturday, 9/10, but when we got there for the makeup, not one single, sleazy one of them showed up for the game. When we got rained out against them again this Fall and the makeup landed right after another game with them I think we all sort of circled that double-header on 10/17 as the day we hand out some payback.

Celebrity guest **Dakota Fanning** was on hand to do the coin toss. She lost and we were Visitors.

We started off the game with a ground-out, but "Scary" **Larry Civelli** cracked a triple and so did "Steady" **Freddy Allen** and we were on the board 1-0! A fly-out gave us two down and a walk kept us alive for **Rocky " & Mugsy" McCoy** who slapped a single, both runners scored and we led 3-0! Two more singles loaded the bags, but a fly finally ended it. The **Strike Team** came right back with a four-spot and we trailed 4-3 after an inning. All we did in the second inning was strand a two-out single, but the **Strike Team** came up with another four runs in the second and now we trailed 8-3.

We got three more runs in the third to close the gap to 8-3. We led off with a single and two fielder's-choice's, then rallied for three on a two-out, RBI single from **John Beal** "Parmesan" ** and a two-run single from **Gordon Williams** "the Conqueror". Trouble is, the **Strike Team** tacked on another four-spot putting us down 12-6.

In the third we put up a run on a two-out single from **Robbie** "Wan Kenobi" **Crider**, 12-7, and we finally gave the **Strike Team** a donut in the bottom of three.

We needed some runs in the fourth inning, now that we'd finally gotten the defense working and held the **Strike Team** scoreless the previous inning. We started the top of the fourth with three straight singles, loading the bases, then a double made it 12-9. A ground-out followed that, but another two-run double closed the score deficit to 12-11! A single put two aboard then **Larry** "The Barber of" **Civelli** singled home a run and the game was tied at twelve apiece! We went ahead, 13-12, on a fielder's-choice, then **Robbie Crider** made it 14-12 on a two-out single. A walk put another grunt aboard, then **Rock** "Lobster" **McCoy** *** struck for another two-out, two-run single and we were ahead 16-12! **Russell** "Sugar" **Ray** made it 17-12 with a double and a ground-out finally stopped us, but not before we'd batted fourteen times, scoring ten runs to change a five run deficit into a five run lead. **Rocky McCoy** and **Russell Ray** were each 2-2 in the inning. After that scoring frenzy the **Strike Team** was drooping and both teams knew it. We had run out the last of the clock and we also knew that the **Strike Team** had one more chance to score five runs or lose the first game of the double-header. We sent 'em to the dugout with another donut and won the game 17-12!

Time limit	1	2	3	4	5	6	7	Total
Dirty Dozen	3	0	3	1	10	-	-	17
Strike Team	4	4	4	0	0	-	-	12

That game was exactly what the **Dirty Dozen** needed! We played an old nemesis who had no-showed us on a Saturday and beat them in spectacular fashion on a big comeback inning at the end of the game. We hit enough to hang around and played really good "D" especially late in the game and stole one from those guys. Great game, **Dirty D!**

Rocky "IV" **McCoy** was IV-IV with IV RBI, to co-lead the team, **Russell** "X" **Ray** was 4-4 with one and four others made only one out apiece. **Gordon Williams** also drove in four RBI to co-lead the team.

Strike Two

Dirty Dozen, Bethesda, 10/17/05, 9:30pm

The second game against the **Strike Team** came right after we had just taken a win away from them, so they had to bow clean that one out of their heads and try again while we had to not be over confident.

On hand for the coin toss was **Eddie Murphy**, star of Beverly Hills Cop, but he lost the toss and we were Visitors again, which was just as well as we had done well as Visitors the game before.

We quickly loaded the bases to start the game, on two singles followed by a walk and **Norman** "1066" **Mapp** put us on the board, 2-0, with a single. A fly-out made it 3-0 and a single came next, but a TKO and a fielder's-choice ended the rally and once again we led 3-0 before the **Strike Team** batted. This time we held the **Strike Team** scoreless in the first and all was good. We got one more run in the second when **Larry** "On My Wayward Son" **Civelli** hit a two-out, RBI single, 4-0. The **Strike Team** wiped out our lead with a four-spot in the second and it was all tied us after two.

In the third we led off with a ground-out then a double and "Piece of the" **Rock McCoy** ** put us on top, 5-4, with a double and we got one more run later on a fielder's-choice to lead 6-4. Another pastry for the **Strike Team** left it 6-4 after three innings. We stretched our lead in the fourth inning. **Ron Powers** "That Be" led us off with a burn shot triple to left and a fly plated him, 7-4, and a line-out gave us two down. A pair of singles loaded the gun and "Apocalypse" **Norm Mapp** fired home two rounds with a triple and our lead swelled to 9-4! **Robbie** "Apple" **Crider** made it swell some more on a two-out single, 10-4, but an out ended the fun. The **Strike Team** was starting to shake out the cobwebs from that KO we'd put on them the previous game and put up three runs in the bottom of the fourth to make the score 10-7 and it was anybody's game again.

We failed to score in the fifth inning, despite two one-out base runners, but the **Strike Team** did not. They did what we had done to them the previous game as they threw five runs on the board late in the game to lead 12-10. There was still a little time left on the clock, so we would get one more turn at the plate.

So, in the top of six we needed another big final inning. We started it off with a pair of singles and a walk in the sixth, just like we had done in the first. A single made it a one run ball game, 12-11, then **Robbie** "the Robot" **Crider** tied the game, 12-12, on a single and the bases we still juiced. **Rocky** "Horror" **McCoy** was next and drove in two more runs on a single to give us the lead, 14-12, and a walk reloaded the bases! Three more single drove in three more runs, 17-12, and the bases were still loaded with ugly shirts! A double drove in all three base runners, 20-12, and a single later **Russell** "Sting!" **Ray** touched off a bomb for a two-run triple and we were up 22-12! A fly-out finally gave us our first out, after we'd reached base thirteen times in a row! A single put us up 23-12 and a fly-out followed, then a single later "Diamond" **Dean Binder** drove in yet another run, 24-12, on a single! Another single came next then we finally succumbed as a fly ended the huge rally. When the chips had cleared we had batted twenty times, scoring fourteen runs in the top of the sixth inning turning a 12-10 deficit into a 24-12 lead with only a half inning to go and once again we had broken the hearts of the team that had dry-gulched us on Saturday! I'll give the **Strike Team** credit as they tried to get fired up and even scored a run in the bottom of the sixth, but they were whipped and both teams knew it and we won the game 24-13!

Time limit	1	2	3	4	5	6	7	Total
Dirty Dozen	3	1	2	4	0	14	-	24
Strike Team	0	4	0	3	5	1	-	13

You probably couldn't have written those two games any better! In the second game we dealt the **Strike Team** the same crushing defeat we had delivered in the first, but the finally inning and final scores were even uglier. Once again we played good "D" and brought home the bacon with some big late inning bats. Great job, **Dirty Dozen**!! Oo-rah!

Russell "X" **Ray** was 5-5 with two RBI. **Norman** "Tabernacle" **Mapp** was 4-5 with a team leading six RBI, "Sergeant" **Rock McCoy** was 4-5 with three, **Larry** "Had a Little Lamb" **Civelli** was 4-5 with one and **Ron Powers** "Ranger" was 3-4.

Rats!

Mixed Nuts, Keswick, 10/20/05, 8:30pm

Thursday night the **Mixed Nuts**, 5-1, were just coming off a rare loss, the first of the Fall 2005 season, and wanted to get back on track against a team we hadn't faced, the 1-5 **PML Loft Rats**. Our loss to **Aces High** the previous week had left us in second place and needing to win out while hoping that **Aces High** would trip over somebody. We were Home team, by schedule and took the field.

The **Loft Rats** had looked okay here and there and had won their first game of the season the previous week, but in the first inning Thursday night they came out hitting like they were 5-1 instead of 1-5 and put four runs on the board to start the game. Four runs is never usually a problem for the **Mixed Nuts**, so we didn't sweat it much, but we went down 1-2-3 in the bottom of the first and the score stood for an entire inning at 4-0. We played our usual solid "D" again in the second inning, but this time hung a hoola-hoop on the **Loft Rats**. We followed this up, however, with another 1-2-3. We hung another hoop on the **Rats** in the third and actually scored a run in the bottom of three on a two-base walk, a single and a fly-out, 4-1, but that's all we got.

The **Loft Rats** got our hard earned run back in the top of four, but we failed to convert a lone two-out single and we trailed, inexplicably, 5-1 after four innings. The **Loft Rats** put up another run in the fifth inning and our hitting drought continued in the bottom of five and we were down 6-1 after five full innings.

I've gotta tell ya, folks, we were starting to wonder about the laws of the known universe, having scored only one run in five innings against anybody let alone a 1-5 team we should have been waffling. The **Loft Rats'** pitcher had been doing a good job on us with a low pitch that seemed to want to carry over the plate for a strike but would drop on the plate, so we were all swinging early, especially when she would set us up with some high pitches.

In the sixth inning we gave the **Loft Rats** a donut (Do rats really eat donuts? One wonders...) in the top of six and started the bottom of six with a two-base walk and assisted walk. A fly moved one runner to third and a fielder's-choice scored him to make to 6-2. Another two-base walk and assisted walk loaded the bases, but a fielder's-choice ended the erstwhile rally and we had one more inning to try and get our bats in gear.

The **Rats** had another donut in the top of seven and it was time for us to put up or shut up. We started the final inning with a fly-out, then a single and double jump started us and **Rock** "Bottom" **McCoy** drove in a run to make it 6-3! A walk

came next and then **Freddy Allen** slashed a single, two more scored and the score was 6-5! The previous week we had rallied for fourteen runs in the final inning only to fall short by a runs 18-17 and that was still in our minds as we batted in the bottom of the seventh again the **Loft Rats**. The next batted lined out for the second out of the inning, then **Sean "007" Crawford** smoked a single up the middle, scoring a run to make it 6-6, but the second baseman dove and got enough of it to keep a seventh run from scoring. Next up was **Theresa Payne** "in the Rats", who stroked a beautiful single over short-stop, a run scored and we won the game 7-6!!

	1	2	3	4	5	6	7	Total
PML Loft Rats	4	0	0	1	1	0	0	6
Mixed Nuts	0	0	1	0	0	1	5	7

We played the kind of "D" you'd expect the **Mixed Nuts** to play and we ran the bases smart and knuckled down and made some adjustments at the plate in the last couple of innings, but our bats were all but nonexistent Thursday night and it almost cost us a game and second place in the league. Fortunately the **Mixed Nuts** are resilient enough to win games even if our bats are bafflingly absent. Good job, **Mixed Nuts!**

Heather "Poison" Spivey was 2-3, "Drop Dead" **Freddy Allen** ** was 1-2 with a walk and a team leading three RBI, **Rocky** "Pneumonia and the Boogie Woogie Flu" **McCoy** was 1-2 with a walk and a rib, and **Dee Dee** "I Fought the Law and the" **Lawson** *** and **Ruby Richardson** "the Lion Hearted" were each 1-2 with a walk apiece.

The Heat is On

The Jets, Briscoe, 10/21/05, 7:00pm

Friday night **The Jets** faced a long time rival in the form of **The Heat**. **The Heat** had never beaten the **Mixed Nuts** the year they played at Briscoe and since **The Jets** have been there we've never lost to them. Friday night we were Home based on the schedule and we hit the field.

The Heat came out hitting in the first, acting like they were tired of losing to us and looking to sneak up on us. They are a good team and beat everybody but us so they have a lot of pride and do know what they're doing on the field. They led 5-0 before we batted, but we weren't worried because we usually give up a few runs early against them, but we always come right back. In the bottom of two history indeed repeated itself and we mustered some runs. We led off the rally with two straight singles and **Leroy** "Down Goes!" **Frazier** busted a triple to close the gap to 5-2. A single made it 5-3 then "Sand" **Rock McCoy** ** made it 5-4 on another triple! A ground-out tied the game, 5-5, a walk and ground-out followed then Tim McCoy smashed a gap and ran a lap for a two-out, two-run, inside-the-park homer and we led 7-5! A fly-out ended the inning, but we had the lead after one.

The Heat kept right on hitting in the second inning, scoring three runs, to lead 8-7 and we failed to score in the bottom of two. We held them to nothing in the third and came back with a run in the bottom of three on a double a single and a fielder's-choice to draw even at 8-8. We gave 'em another donut in the fourth inning and got our sticks going again in the bottom of the inning. We led off with a pair of singles and a fielder's-choice drove in a runs to put us up 9-8, but a second fielder's-choice gave us two down. A double kept the inning going for **Ann** "Green Eggs &" **Hamner** who mashed a two-out triple, two **Jets** landed and we led 11-8! **Leroy Frazier** made it back-to-back triple, 12-8, and **Doris Hughes** capped the scoring in the fourth inning with a two-out single and we led 13-8 after four.

We put another goose egg on the board in the top of the fifth and it was time to hit again. We hit a single and double to start the fifth inning and **Julie** "A Streetcar Named" **Desmelik** upped it to a triple and her two runs put us up 15-8! A short single held the runner, but a ground-out didn't and we led 16-8. A double and single made it 17-8 and one more runs on a double from **Freddy** "Nightmare on Elm Street" **Allen** made it a run-rule and we won the game 18-8, just 30 second before time would have run out!

Run rule	1	2	3	4	5	6	7	Total
The Heat	5	3	0	0	0	-	-	8
The Jets	7	0	1	5	5	-	-	18

The was the game we've been expecting **The Jets** to play this season. We had been a bit iffy defensively and spotty at the plate at times, but it all came together Friday night and we gelled for a solid win over a good team. Greta game, **Jets!**

Freddy Allen "the Family" was 4-4 with an RBI, **Leroy Frazier** "Crane" was 3-3 with three to lead the team, "Tiny" **Tim McCoy** was 3-3 with two and **Gregg** "BFG" **Brooke** was 2-2 with a walk.

We've played either with or against many of the players on this team, often subbing for the **Mixed Nuts** on late notice, but next week we're in opposite dugouts. This team is much better then the 0-7 record they have right now, so do not take them for granted. They are a good team and we can't lie down against them with **Aces High** sitting above us by a game.

Let's swing those bats and have some fun **Mixed Nuts!**

The Jets play the **Yeah Buds** next for the first time. We've seen them wearing out other teams and this time we get 'em. They score a lot of runs off error and off good hitting, so we need to play a solid game this Friday. They're only loss was the **The Scrubs** the first week of the season, so they can play ball.

We have the early game, so be extra careful to be at the game early so we're ready and relaxed before the game. If we spank the **Yeah Buds**, we're in the driver's seat for top seed in the PST. Go get 'em, **Jets!**
